Sustainable and Innovative European Biogas Environment

Transnational Final SEBE Conference

Biogas for Europe's Future

June 4, 2013, Katowice, Poland

Background

- We would like to invite you cordially to take part in the Transnational Final SEBE Conference “Biogas for Europe’s Future” which will be held on 4 June, 2013 at the Central Mining Institute in Katowice, Poland.
- Within the Central Europe Program, the project “Sustainable and Innovative European Biogas Environment – SEBE successfully developed knowledge on legislation, economy, logistics, technology, research and education on biogas. The result of 3 years cooperation of partners from 8 countries (Austria, Germany, Hungary, Slovakia, Slovenia, Italy and Poland) will be presented during the conference.
- We expect the conference to become a common forum aiming to promote biogas in a wide context and inspire conference participants to find and implement effective technological solutions for creation of sustainable biogas production and utilisation at local, regional and transnational level.

Organisation: Central Mining Institute (GIG), Katowice, Poland with support of SEBE project Lead Partner ICS (Austria) and partners.

Conference is funded by the EU, European Regional Development Fund

SEBE website: <http://www.sebe2013.eu>

Preliminary Program

June 4, 2013

08:30	Registration	
09:00	Welcome Representative of National/Regional Authorities Director of Central Mining Institute	Józef Dubiński
09:15	Biogas for Europe's future – the SEBE project	Agnes Frank, ICS, Austria
09:30	Network of Transnational Competence and Knowledge Centers on Biogas	Gabriel Adamek, No Gravity, Slovakia
Session I: Biogas production and utilization – case studies, good practices Chairman: Michael Harasek, Vienna Technology University		
09:45	Innovative utilisation of biogas including upgrading biogas to biomethane	Michael Harasek, Vienna Technology University, Austria
10:15	Biogas production and utilization in Italy - a practical example	Davide Mainero, Acea Pinerolese Industriale SpA, Italy
10:45	Coffee Break	
11:15	Biogas from poultry industry waste - Perutnina plant	Bojan Pahor, Perutnina Plant, Slovenia
11:45	Biogas production and utilization in Poland – a practical example	Wojciech Łukaszek, Ekoenergia, Poland
12:15	Discussion	
12:30	Lunch	
Session II: Technology-Concept-Awareness – SEBE Pilot Actions Chairman: Eugeniusz Jędrzyk, Central Mining Institute		
13:30	Poster session Demonstration of mobile laboratory	Henry Seifert, Hans-Peter-Gottfried, SBG, Germany
14:00	Conversion of biogas plant from electricity and heat production to full biogas upgrading to biomethane	Soeren Skupien, Energy Park, Bruck and der Leitha, Austria
14:20	Biomass pre-treatments aimed at biogas production optimization	Paola Zitella, Environment Park, Italy
14:40	Biogas technology pilot actions in Hungary and Romania	Tamas Gyulai, University of Szeged, Hungary
15:00	Municipal solid waste as resource for biogas production	Klavdija Riznar, ZRS BISTRA, Slovenia
15:20	The innovative concept of micro-grids for biogas production and utilisation	Olga Panic, University of Stuttgart, Germany

EUROPEAN UNION
EUROPEAN REGIONAL
DEVELOPMENT FUND

CENTRAL
EUROPE
COOPERATING FOR SUCCESS.

15:40	Development of production and utilization of biogas from sewage sludge in Silesia Region	Alina Rejman-Burzyńska, GIG, Poland
16:00	Biogas awareness raising campaign in Poland	Anna Bieniasz, ARRSA, Poland
16:10	Coffee Break	
16:30	Discussion	
17:00	Summary, conclusions and closing of conference	Alina Rejman-Burzyńska, GIG, Poland

Language

Conference languages will be Polish and English. Simultaneous translation will be provided.

Conference Venue

The Conference will take place in Katowice:

Główny Instytut Górnictwa - GIG

Plac Gwarków 1

40-166 Katowice

Main building (Gmach Główny), Aula Boreckiego, III floor

Conference Office

Główny Instytut Górnictwa, 40-166 Katowice, Plac Gwarków 1
